BEVERAGE SERVICES

On Consumption

We supply our house beverage menu for the event and a tab is established. The tab is added to your invoice post event.

On Consumption beverage service has a \$500.00 minimum spend on beverages only, bar staff and equipment hire not included (see below). If the minimum spend isn't met, the difference will be added to your invoice post event.

Cash Bar

We supply our house beverage menu for the event and your guests are charged per drink. Cash and card facilities available.

Cash bar beverage service has a \$500.00 minimum spend on beverages only, bar staff and equipment hire not included (see below). If the minimum spend isn't met, the difference will be added to your invoice post event.

BYO

As we do with any licensed event, it is our strict policy to promote safe and responsible alcohol consumption in accordance with our Host Responsibility Policy.

To serve beverages that are supplied to us, we charge an Alcohol Service Fee of \$8.00 per person to cover our compliance and liability related to serving alcohol at an unlicensed event. This fee is waived if the alcohol is sourced and the event licenced by Food Envy.

As part of our service, we can also manage your beverage supply by receiving, chilling and delivering your stock to the venue if required.

We appreciate your understanding of our commitment as responsible hosts.

Bar Staff and Equipment Estimate

Bar staff, bar set up, glassware, and delivery fees for our beverage services are estimated based on your requirements. Bar tables, tablecloths, additional refrigeration and waste management may be necessary depending on venue facilities.

FOOD ENVY

All prices exclude GST and delivery.
